

Directions:

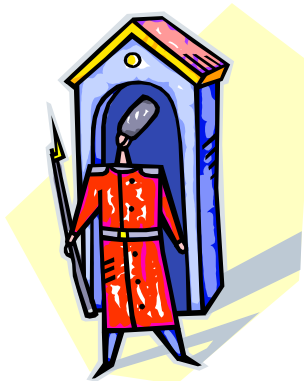

Study the graphics below and pick a vocabulary word off the list for this chapter that would make sense with it. There are a number of possibilities. Below the graphic, write the word and then below that, write a sentence using the word. Show the meaning of the word within the sentence without stating the definition. Use correct grammar, spelling, and punctuation. Underline the vocab word in the sentence. The form of the word may be changed. Use each word only once. (12 words X 5=60)
